10th February 2021

To the children and parents/carers of Greenhaw Primary and Nursery School

As we approach the half term break, can I take this opportunity to thank you for your hard work and support over the last number of weeks. Your enthusiasm, diligence and dedication with regard to the remote learning activities provided by the teachers has been outstanding. In these extremely challenging times, particularly for the children, can I extend my heartfelt appreciation on behalf of all the staff of Greenhaw Primary and Nursery School. Hopefully, there will soon be an end to the disruption of our children's education and we can all return to some kind of normality.

In the meantime, stay safe, stay well and enjoy the half term break - which this year falls on the **18th and 19th February 2021**. There will be no remote learning activities planned for these dates. **Please also note, for those children who have been attending school for supervised learning, the nursery and the primary school will be closed on these dates.**

Supervised/remote learning will resume on Monday 22nd February 2021.

Please be assured if the Department of Education issue any developments regarding the re-opening of schools, I will inform you all immediately.

Thank you for your ongoing support

Kind regards

Shaun McLaughlin

Principal.
